

FIND YOUR SIZE

Every designer has their own size chart, so use the chart as a guideline for finding your recommended size for swimsuits, bodysuits & panties

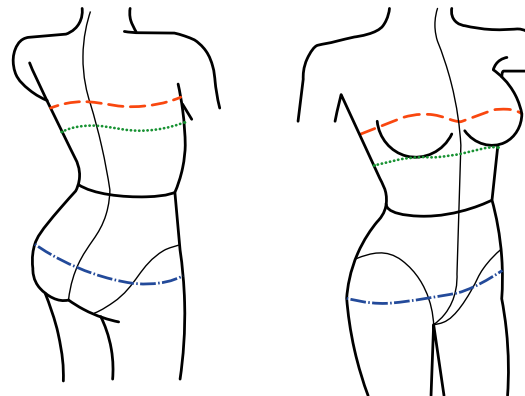

Do not rely on your Ready-To-Wear size.

All Hari Ito Lingerie Patterns are made someone measuring 173 cm (5'8").

Use a flexible measuring tape to take your measurements, preferably without clothing. Hold the tape snug against the skin, but do not pull it too tight.

Measure:

- Red striped line = full bust
- Green dotted line = underbust
- Black line = waist
- Blue striped line = hip
